

Achievement Academy

Tutor services with no testing or registration fee!

The Achievement Academy is a new program developed by Orono Community Education. It was developed to fit the increasing number of tutor requests that the Community Education department has been receiving from parents.

The Achievement Academy employs licensed tutors that have classroom experience and will work one-to-one with your student.

Tutoring available in the following Academic Areas

High School Students	Middle School Students	Intermediate & Elementary School Students
Math	Homework Help – Any Subject	Homework Help – Any Subject
Science (Including Chemistry & Physics)	Study/ Organization Skills	Study/Organization Skills

Summer Session: Monday - Thursday, June 20 - August 12
